

MOLDO CYCLE TRACK

The Comfortable choice....

MOLDO CYCLE TRACK

- Non-slip, resilient rubber exercise surface that has real force reduction benefits which equate to perceptible jogging comfort
- No sharp edges, and no joint stress due to directional buildup of the dual-layer surface
- Color-fast top layer made of 100% Synthetic colored EPDM /SBR Rubber with UV resistant
- Low maintenance and repairable
 - 10 standard colors available
- Impact cushioning with high life expectancy
